Efficient

Highly-Qualified

AGENCY SERVICES

Providing a reply to clients' enquiries within maximum 24 hours, the company focuses on rapidity. Our staff constantly assesses the client's satisfaction and takes corrective actions, if necessary, in order to improve the services. 24 hours round the clock communications are available for all clients via e-mails, mobile phones, computerized fax and telex and constant internet connection.

Alpha Maritime's office network has been developed to provide direct coverage of every major Bulgarian port as well as smaller ports and berths. We offer nationwide agency using our own experienced port-based staff, ensuring a high standard of service and consistent documentation. Clients have the option to coordinate all their Bulgarian agency requirements, including disbursement account management.

Our experts' services are 24 hours available for all parties requiring any shipping related services with no vessel's restrictions for the size, type and purpose of call / loading, discharging, repairing, bunker, supply / at all Bulgarian ports.
